Education

M.S Ramaiah Institute Of Technology, Bangalore , B.E in Electronics And Communications . CGPA : 8.3	Sept 2022 – July 2026
• Minor Degree In Data Analytics	
Vidya Nidhi Independent PU College, Tumkuru , PCMCs Percentage : 94.33.6	Sept 2020 – April 2022
K.V.I.R.S , Kunigal , ICSE - Percentage : 91.6	june 2010 – March 2020

Technical Skills

Languages: Python,C,C++

Web: HTML, CSS, JavaScript, ReactJS, NodeJS, Bootstrap , Power BI, Django

Database: SQL, MongoDB, NoSql

Development Skills API Development, RESTful APIs, MicroServices, AWS, JWT Authentication

Tools and Technologies: Docker, VS Code, GitHub

Subjects: DSA, OOPs, DBMS, Operating System (OS) , Big Data Analytics, Data Visualization

Experience

Software Developer Intern , PHARMA BOLT – Bengaluru,Karnataka	March 2025 – June 2025
• Designed and implemented a microservice architecture to ensure scalability and modularity	
• Developed secure RESTful APIs for integration with client-facing applications, ensuring data security.	
Backend Developer Intern , Mind Matrix – Bnaglore,Karnataka	Sept 2025 – Present
• Collaborated with cross-functional teams to design, implement, and maintain backend solutions for 5+ projects.	
• Applied Test Driven Development (TDD) methodologies to improve code quality and maintainability..	

Projects

Risk Forge

- Designed a web application for Stock Portfolio Analysis, leveraging advanced machine learning techniques to predict stock price trends and assess investment risks
- **Tech-Stack:** Python, Machine Learning, Monte Carlo Simulation, Streamlit

The Farm Unity

- Developed a technology-driven platform to connect farmers with skilled laborers and service providers, eliminating middlemen and ensuring fair pricing and efficient agricultural operations
- **Tech-Stack:** React , MongoDB, IVR

Arivu

- Developed a platform aimed at empowering rural communities by streamlining Self-Help Group Management, tracking finances, and promoting skill development
- **Tech-Stack:** HTML, CSS, JavaScript, Node.js, MongoDB

Certifications and Achivements

- Completed MongoDB certification, gaining foundational knowledge in NoSQL databases
- Completed the FFE Mentorship Program as a Scholar and Mentee - focused on professional skills
- **LeetCode:** Solved 200+ questions, demonstrating strong problem-solving and algorithmic skills.
- **6x Winner** in coding events conducted by MSRIT, MSRUAS
- Contributed to open-source projects as part of THE RESONATE Google Summer of Code program using JavaScript, React, and Git
